RESTRICTED MOVEMENTS AT NADI INTERNATIONAL AIRPORT FROM 5TH MAY

Airports Fiji Limited (AFL) is transforming the Nadi Airport Terminal experience for Tourists and all Fijians. We can only successfully do this with the assistance and partnership of all.

AFL wishes to advise the General Public that from the 5th of May 2015, Farewellers will be restricted from entering the Nadi Airport International Departures Check-in Terminal (Check-in Terminal).

Over the next 1 year during construction of this completely new and modern Check-in Terminal, its floor space will be reduced in size. Parts of the Check-in Terminal will be taken away for construction at different times during this construction period. We will maintain 22 check-in counters for operations, at all times. However, during these construction phases, we will not have space for Farewellers and the General Public within the Check-in Terminal. Airport Marshalls will be present to assist International Passengers with offloading of luggage and directing them to their allocated check-in counters.

We thank you for your patience and understanding and apologize for any inconvenience caused. For any further information you can call Joe Gray on 9906148 or Priti Reddy on 9906181.

Thank you!
