Transit Advice

Due to the heightened travel restrictions, transit passengers will not be allowed to enter or transit through Fiji.

International Travel

The Fijian government is strongly advising Fijians not to travel abroad. If you travel anywhere outside of Fiji, you will be required to self-isolate for 14 days upon your return to Fiji, even if you are not displaying symptoms of COVID-19.

What We Are Doing

Here's what we are doing to help protect you:

- Sanitizing high risk areas, including touch points, such as trolleys, door knobs, handrails, lifts and public toilets
- Spot cleaning of seats
- Mopping the floors with disinfectants
- Increased frequency of cleaning and additional manpower during busy traffic spells to ensure hand sanitizers are topped up and the manning of toilets for constant cleaning
- Cleaning of glass windows along the arrival and departure areas
- Our colleagues and stakeholders are being constantly encouraged to follow basic hygienic practices.

How To Protect Yourself

Strictly following personal hygiene practices is important:

- Wash your hands frequently with soap and water (for at least 20 seconds)
- Cough or sneeze into your elbow or by covering your mouth and nose with tissues
- Put used tissues in the bin or a bag immediately
- Maintain social distancing at least a metre between yourself and anyone who is coughing or sneezing
- Avoid touching your eyes, nose and mouth
- Stay home if you are sick
- Avoid close contact with people who are ill
